

MEMORANDUM OF  
UNDERSTANDING BETWEEN  
PUDUCHERRY TECHNOLOGICAL  
UNIVERSITY AND  
PUDUCHERRY POLICE

This Memorandum of Understanding is made on this, the 14<sup>th</sup> day of March 2024 between Shri. Dr. B. Srinivas IPS, Director General of Police representing Puducherry Police Department (which expression shall include his successors in office and assigns)

on the ONE PART:

Shri. Dr. R. Sundaramurthy, Dean (Industrial Consultancy & Sponsored Research), representing the Puducherry Technological University, Puducherry (which expression shall include his successors in office and assigns)

on the OTHER PART:

### **Preamble**

1. Puducherry Technological University a state University of Union Territory of Puducherry located in East Coast Road, Pillaichavady, Puducherry – 605 014, India is an academic institute of national importance and a statutory body existing under the provisions of the Puducherry Technological Act 2019. The University provides courses in core engineering and basic sciences, focusing on enhancing innovation, research and promotion of technology.
2. Puducherry Police (PP): The Mission of Puducherry Police is prevention and detection of crime, maintenance of law and order, and efficient service delivery to citizens. The force discharges its duties with a sense of service, impartiality and integrity. In addition to its statutory responsibilities, it endeavors to efficiently assist in rescue and relief operations during disasters. It also focuses on providing a safe and secure environment for investments and tourism in the Union Territory. The force aims to win the trust and cooperation of the people of the union territory by being disciplined and people friendly. It also strives to be a modern police force, which is technology savvy and does its utmost to protect the dignity and human rights of the citizens of this country.

3. Whereas, Puducherry Technological University and Puducherry Police, are entering into an understanding to cooperate and share their resources and expertise in the areas of Academics, Research, Extension and Training Programs/Activities for mutual benefit.

### **Article 1** **Purpose**

1. The purpose of this MoU is to synergize the expertise of the Puducherry Technological University with the aim (but not limited to) undertaking up-skilling and training programmes and encouraging innovations in the fields of security in general and research, innovation, incubation, training and online education through the various entities created under the aegis of PTU, accordingly both the Parties (referred to individually as "party" and jointly as "parties") enter into this Memorandum of Understanding (MoU).

### **Article 2** **Scope of the Memorandum of Understanding**

- 2.1 PTU in collaboration with the Puducherry Police will assess and focus on meeting specific requirements of the Puducherry Police through training, research, education and extension programs of PTU or otherwise for the Puducherry Police in the areas as mutually agreed and on requirement basis.
- 2.2 PTU in collaboration with the Puducherry Police will undertake the
  - (a) Work towards the Joint Certification of Academic and Training programs. This will include but not be limited to curriculum development for projects; facilitating appropriate access to students undertaking dissertation or doctoral research; and joint certification programs (both short-term and long-term), as per the University guidelines and as may be modified from time to time by the University.

- (b) Based on the requirement of the PP, PTU and PP may jointly design and offer academic and research programmes for the Puducherry Police, subject to the fulfillment of the eligibility criteria and undergoing necessary selection/admission process and reservation policy as per the norms of Puducherry Technological University. Puducherry Police can undergo relevant PG courses in part time mode following PTU norms.
- (c) Puducherry Technological University will provide all the expertise in strengthening and restructuring of Training Centre(s) as required by the Puducherry Police.
- (d) Jointly design and execute online and offline activities including lectures, workshops, seminars, short term training programmes on subject matters for Puducherry Police personnel as may be required from time to time.
- (e) Puducherry Technological University may design research projects in collaboration with the Puducherry Police on the theme/area/topic as may be determined jointly and may conduct research for the Puducherry Police. Such research shall include but not be limited to the problem statements of the Puducherry Police in the realm of technology, applied research and academic research – and will involve the exchange of appropriate data and databases. Research shall be conducted with the objective of deriving qualitative insights to improve the execution of policing through data-driven approaches with appropriate impact assessment/evaluation.
- (f) Both parties shall mutually agree on consultancy/advisory/sponsored projects to fulfil the mandate of the respective organizations.
- (g) The Puducherry Police will facilitate students / innovators / researchers / faculty from the Puducherry Technological University to undertake internships/field work / experiential learning / lectures / courses as the case may be on a pre-determined basis.

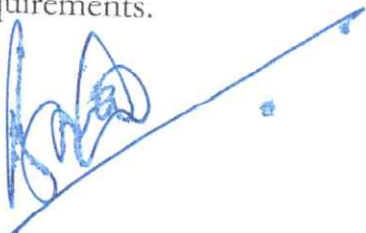

- (h) The Puducherry Technological University will facilitate trainees / researchers / faculty / instructors / police personnel from the Puducherry Police to undertake lectures / courses / field work / experiential learning, as the case may be on a pre-determined basis.
- (i) The Puducherry Technological University would work towards providing solutions to the problem statements of the Puducherry Police through research and design. These problem statements shall be addressed by entrepreneurial, start-ups, incubation, innovation and indigenization from its ideation to application with support from operational units of the Puducherry Police.
- (j) PTU and PP may determine and resolve mutually the cost or financial implications from time to time as it may arise.
- (k) Joint projects including Puducherry Police and students of Puducherry Technological University to find solutions for emerging problem statements with regards to issues pertaining to the Union Territory of Puducherry can be envisioned.

### Article 3 Sharing of Facilities

Both Parties shall allow the sharing of facilities on required basis after due consultations, as per the following arrangements: -

- (a) PTU shall make provisions to share relevant facilities in order to promote academic, training and research interaction in the mutually agreed areas of co-operation.
- (b) Both Parties, based on mutual agreement may depute its personnel as visiting faculty/instructor/subject matter Experts to teach any relevant subject as per requirements.

(c) Visit by innovators/ research scholars and faculty of Puducherry Technological University to the Puducherry Police and vice versa, for guest lectures, expert advice etc. on mutually agreeable terms and conditions.

#### **Article 4**

#### **Nodal Officer**

Both Parties shall appoint a Nodal Officer for implementation of this MoU.

#### **Article 5**

#### **Intellectual Property Rights**

The IPR is applicable to both the Parties and all the personnel attending various activities under this MoU and as may be determined mutually. IPR with respect to any products jointly developed or any other intellectual property flowing from the implementation of this MoU will reside with the Parties as may be mutually agreed.

#### **Article 6**

#### **Confidentiality**

Information exchanged under this MoU would normally not be of a CLASSIFIED nature, but some information may be considered proprietary. During the tenure of the MoU both Parties will maintain strict confidentiality and prevent any disclosure of all the information and data exchanged under the scope of the MoU for any Purpose other than in accordance with this MoU and after written consent of the parties. Sharing of any CLASSIFIED information, by either party, if undertaken would be under the extant rules.

**Article 7**  
**Entry into Force and Duration**

This MoU will come into effect from the date on which both Parties have signed the MoU and will remain in force for last day of completion of five years from then onwards. This MoU may be terminated by either of the parties by written notice of five (05) months before termination to the other party. In case of termination of MoU, all activities undertaken on its basis shall be fully implemented under the same conditions as they have been started. Both parties shall continue to maintain the confidentiality of all information and data exchanged between the parties under the MoU for a further period of 5 years from the date of termination of this MoU.

**Article 8**  
**Removal of Difficulties**

Any difficulty during the implementation/interpretation or understanding the clauses of this MoU or any incidental aspect within the scope therein, shall be resolved mutually by the signatories or their nominees accordingly and shall be final and binding.

**Article 9**  
**Annual Review**

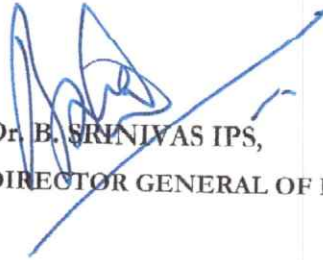

Nodal Officer of both Parties shall review the implementation of the MoU and report on the utility and effectiveness and advise accordingly to the heads of both organizations.

This MoU is prepared as two originals (one for PP and one for PTU) and comes into force on the day written in the doc and when both Parties have signed it.
