To

The Dean (Academics)
Puducherry Technological University
Puducherry

Sir,

Sub: Submission of Action Taken Report - Academic Audit- Department of Physics - academic year 2019-20 and 2020-21 – reg.

The academic audit for the academic years, 2019-20 and 2020-21 were conducted on **22.08.2022** in the Department of Physics, Puducherry Technological University. The action taken report on the audit comments are presented here for your further course of action.

The General Recommendations for further improvements of the Academic Auditor for the academic year 2019-20 and 2020-21 and the action taken report are detailed below:

General Recommendations for further improvements	Action Taken
The infrastructure of physics lab may be extended to cater the present student strength	This matter was discussed with the Department Academic Audit Committee (DAAC) members. It was decided to place a request to the management to permit and sanction the procurement of additional lab equipments and new lab space as recommended by the Auditor.
As part of outcome based education, virtual lab facilities may be implemented in a phased manner.	It was decided to place a request to the management to permit and sanction a new virtual laboratory with the necessary number of computers required for conducting the virtual lab.

Harish Kumar
